

CHICAGO ELECTS TO-DAY

HARRISON, ALTGELD, OR CARTER.

JONES WINS IN TOLEDO!

All Three of the Candidates in the Windy City Confident.

A REBUKE BY THE PEOPLE.

Toledo's Independent Mayor Beats the Regular Republican and Democrat.

Chicago, April 3.—By the managers of all three candidates it was conceded to-night that the vote to-morrow will be the heaviest ever cast in Chicago, with the single exception of the Presidential election of 1896. The reason for this is that the public interest in the contest has been aroused to an extent never before equaled in a Spring campaign. The final estimates of the party managers are:

HARRISON—Harrison, 175,000; Altgeld, 15,000; Carter, 120,000.

ALTGELD—I shall receive a majority of all the votes cast.

CARTER—Carter, 135,000; Altgeld, 75,000; Harrison, 110,000.

The estimated vote, based on figures emanating from all the political headquarters and Board of Election Commissioners, is between 310,000 and 320,000. The total registered vote is 536,527. The total vote cast in the Mayoralty election of 1897 was 296,267.

Former Governor Altgeld still has the other candidates guessing. He is the one uncertainty. With him eliminated every one would concede a walk-over to Mayor Harrison. But since he is very much in the race the fact of both the other men being entirely in Altgeld's unknown strength. Mayor Harrison says the former Governor will not get more than 15,000 votes. If this estimate proves true Harrison will be elected beyond a doubt.

Mr. Carter, however, figures that Altgeld will receive at least 150,000 votes. If this proves true Carter will finish first. Mr. Altgeld gives out no figures himself. He merely says: "I shall receive a majority of all the votes cast."

Altgeld from the very start has been the picturesque figure of the long fight. He took the lead in January without organization and no definite programme, save to take advantage of every opportunity that presented itself.

Altgeld Expects to Be Elected.

His campaign has excited the wonder and admiration of politicians, who predicted two months ago that it would be a fizzle. He has now an organization, the ramifications of which extend into every ward and precinct in Chicago. His movement has developed with such extraordinary impetus during the past two weeks that he and a great majority of his followers are convinced that he will be returned a winner to-morrow night.

Altgeld's campaign has differed from all the others. One does not see one Altgeld lithograph where he sees ten of Harrison and six of Carter. Altgeld buttons have also been comparatively few. But the point of meetings Altgeld has addressed quite as many as either of the other two men, and in every instance during the last fortnight has had 20 per cent larger attendance than Harrison, and 30 per cent more than Carter.

None of the candidates has reason to complain of the warmth and enthusiasm of Chicago's voters, as all three have held record-breaking meetings in practically every ward in Chicago. Indeed, their success in this respect has astonished the veteran campaigners of the regular party organizations. The only explanation of it is that the people are more interested in to-morrow's balloting than they have been since the campaign of 1896. All party leaders are convinced that the former Governor's participation has contributed much toward making it popular with the masses of the people.

Harrison "Chicago's Champion."

The feature of Mayor Harrison's campaign that has attracted the most attention has been the almost total absence of the name of the party that he is presumed to represent. None of his lithographs bears the legend "Democratic nominee." He has assumed from the moment of his nomination that he is "Chicago's champion," and he has failed to say the word "Democratic" in speech or writing since that time.

His entire organization has been built on non-partisan lines, and he has claimed in several of his speeches that Republican votes will help re-elect him. The Mayor takes it for granted that the electorate knows he is a Democrat.

Mr. Carter, the Republican candidate, has conducted his campaign on strict party lines. Every banner, every poster, every lithograph and every piece of literature that has emanated from his headquarters proclaims him to be the candidate of the Republican party.

In the absence of literature and banners and lithographs Altgeld has taken pains to say from every platform that he is a Democrat.

The voting to-morrow ought to be brisk. If the predictions of the party managers are all wrong, the weather forecaster predicts a stormy day.

When Mayor Harrison's attention was called to-day to a dispatch from New York in which it was reported that he had been in communication with Richard Croker and had accepted an invitation to attend a banquet in New York on April 13, the Mayor said:

"I have received no communication from Mr. Croker, verbal or otherwise, for more than a year, with the exception of a brief interview last November, when Mr. Croker came to Chicago and attempted to change my attitude regarding street railway matters. I declined to discuss the traction controversy, and that was all there was to it. As to the report that I have accepted an invitation to go to New York, I will say that I declined an invitation to go there several weeks ago and accepted an invitation to attend a banquet in Milwaukee on April 13, the same date."

JONES HAS A GREAT VICTORY IN TOLEDO.

Hanna Men Help Democrats to Defeat Mayor McKisson in Cleveland.

Cincinnati, April 3.—The municipal elections held in Ohio to-day derived their chief interest from their bearing on Republican factional politics.

In Toledo Mayor Samuel M. Jones was re-elected, this time as an independent. The verdict of the polls shows he has the popular affections.

In Cleveland Mayor Robert E. McKisson ran for re-election. He is a bitter opponent of the Hanna wing of Ohio Republicans, and was marked for slaughter from the day of his nomination. About 9,000 is the size of the majority under which he was hurled today by Democrats with the assistance of loyal Republicans. His successful opponent is John H. Farley, Democrat, who ran against him two years ago and lost by 2,500. His overwhelming defeat is regarded as a great victory of the Hanna Republicans over the Kurtz-Bush wing of the party.

In Columbus the gubernatorial race was an element in the election. The largest vote ever polled in a municipal election was cast and the Republicans elected the entire ticket headed by Samuel J. Swartz for Mayor by pluralities averaging about 1,500. The Hanna Republicans and friends of Judge Nash, a leading opponent for Governor, were reputed to be lukewarm, and the Kurtz-Bush wing made charges of treachery, but the vote shows they were loyal.

In Cincinnati the Republicans elected two

ALTGELD CLAIMS MORE THAN HALF THE VOTES.

Editor New York Journal:

After a thorough canvass of the entire city, after carefully estimating the unprecedented enthusiasm and movement of the masses of the intelligent people of this city toward the standard of municipal ownership, I am satisfied that we are going to get considerably more than one-half the entire vote of the city. We have no pay roll, no feeble, no lawless element to drum up meetings or make a noise, but we do have the intelligent, patriotic and progressive people of this city with us almost to a man. Careful investigation develops the fact that the Harrison movement, which has been fixating for more than ten days, is now supported chiefly by a pay roll. The loud endorsement of Mr. Harrison by Richard Croker is not helping the City Hall machine. We are informed the Mayor has sent his \$10 to pay for the Tammany dinner to be given in New York by the gold standard people on April 13, and from present indications he will have ample leisure to go there.

CHICAGO, APRIL 3.

JOHN P. ALTGELD.

CARTER HARRISON CERTAIN HE WILL BE RE-ELECTED.

Editor New York Journal:

I am morally certain that I shall be re-elected to-morrow. The result is a foregone conclusion. Yerkes finds himself baffled once more, not by me nor by any one individual, but by the popular sentiment of the people of Chicago. The aroused citizenship of Chicago is too great for any man or any set of men to combat. An ordinary man would have learned this lesson from the recent triumph of the people over the attempt to extend the streets, but Yerkes is not an ordinary man. Talked in his thieving scheme, he reneges the attack again and again. Yerkes says I must be downed. He mistakes the temper of the people of Chicago.

Lady Sackville and Mrs. George Gould on the Atalanta.

Lady Mary Sackville, who arrived here Sunday on the American liner New York, is a guest of Mrs. George Gould, at Lakewood. Mrs. Gould and Lady Sackville were much together on the Gould yacht Atalanta during last Summer's cruise in European waters, and it was at Mrs. Gould's invitation that Lady Sackville came to this country. Frank Gould met Lady Sackville in England, and it is said Mrs. Gould would not be averse to a match between the young couple.

Lady Sackville is still suffering from her wounded hand, which was caught in the door of a London railway carriage two weeks ago through the carelessness of a guard. Her hand was swathed in bandages when she landed.

Bank Escapee Flouted Again.

The British bank escapee, captured during a small off Bobbin's Reef, in the upper bay, on March 23, was flouted yesterday morning and towed to the Merrick-Caplan wrecking docks at Stapleton. The ship, the "The" ship, which was carried down to the dock, still remains at the bottom of the bay.

RALEIGH OFF ON HER LAST LAP

Dewey's Cruiser Sailed from the Azores on Saturday Night, and Is Certain to Be Here for a Royal Welcome on April 15.

The cruiser Raleigh, the ship of Admiral Dewey's fleet which fired the first shot in the battle of Manila, and kept in the thick of the fight until the Spanish fleet was destroyed, sailed from Horta, near Fayal, Azores, on Saturday night, and her arrival at this port on April 15 is now almost certain.

Captain Coghlan, in his dispatch to the Navy Department announcing his departure, does not mention the condition of his ship, but it is said that she is badly in need of repair and her bottom so foul from long service in Asiatic waters that she cannot be pushed across the Atlantic with her usual speed.

It is estimated by Commodore J. D. J. Kelley, who commanded her sister ship, the Cincinnati, that it will take eight or nine days, provided she has fair weather, to steam from Horta to Bermuda. This will bring her to Bermuda on the 10th or 11th. There she will make a brief stop for coal, and then sail for home and the rousing welcome prepared for her by the people of Greater New York on the suggestion of the Captain.

Captain Coghlan will receive a clear outline of the Berda of the house in store for him, his officers and crew. He will also know that the people who wish to greet him expect him on the morning of Sunday, the 15th. With the same tact that kept him third in line of battle during the Spanish war, he will not fail to find the speed of his ship that its grim iron sides will loom up through the mist of early dawn on that morning off the Narrows. This is what Mayor Van Wyck expects, and on that supposition the Reception Committee of one hundred prominent citizens will no doubt act to-day. Owing to the numerous applications for the honor of being placed on this list the Mayor had not closed it up to late night. Every house almost has brought forth a new applicant, the last to be pushed forward by friends being Admiral Dewey's son, who, it is urged, should be the first of the city's guests to greet the officers and men of the returning war ship. In honoring the son, it is said, the father would be doubly honored, and it would be a source of great pride and gratification to the old hero.

THE NATION WILL MOURN ON THURSDAY.

Government Departments to Close with the Burial of the Country's Dead at Arlington.

Washington, April 3.—Arrangements have been practically completed for the funeral ceremonies on the occasion of the interment in Arlington Cemetery at 2 o'clock Thursday afternoon of the remains of about 350 soldiers and civilians who lost their lives either as a result of wounds or disease in the campaign of San Juan and Porto Rico. The commitment services will be conducted by Post Chaplain Charles W. Freeland.

Full military honors will be paid and all of the regular troops in this vicinity, the District National Guard and a battalion of marines will participate in the ceremonies at the cemetery.

President McKinley issued the following executive order to-day in connection with the interment:

Those who died in another land led in many homes the undying memories that attend the heroic dead of all ages. It was fitting that with the advent of peace, and the return of their bodies should be gathered with tender care and in haste to home and kindred. I therefore order:

That upon the arrival of the cortege at the national cemetery at Arlington all proper military and naval honors be paid to the dead bodies, and that on the same day at 2 o'clock p. m. (Thursday, the 6th day of April) the national ensign be displayed at half mast on all public buildings, forts, camps and public vessels of the United States, and that at 12 o'clock noon of said day all the departments of the Government at Washington shall be closed.

Highways and Byways of Disease.

THE BYWAYS DANGEROUS TO WOMEN.

WOMEN'S diseases have their byways as well as their highways. Many doctors, familiar with the highways of disease, know little of the byways. It is for this reason that Dr. Pierce cures so many women when all the home doctors have failed. He knows the byways of disease. The local practitioner stumbles over symptoms. He classes your particular ailment with the ailments of others. The special difference between your symptoms and the symptoms of other women he does not understand. He treats you for the wrong complaint. It is the understanding of these delicate differences in woman's symptoms which enables Dr. Pierce to effect a complete cure in almost every case.

HALF A MILLION WOMEN have been treated by Dr. Pierce, assisted by his staff of nearly twenty physicians. That proves experience. Ninety-eight women out of every hundred have been perfectly and permanently cured. That proves success.

SICK WOMEN are invited to consult Dr. Pierce by letter absolutely without charge. Each letter is held as strictly private and sacredly confidential. All replies are sent in plain, closely sealed envelopes bearing upon them no advertising or other printed matter. Write without fear and without fee to Dr. R. V. Pierce, Buffalo, N. Y. Women suffering from irregularity, inflammation, ulceration, displacement, bearing-down pains, etc., should consult Dr. Pierce at once.

"A WONDERFUL MEDICINE FOR WOMEN."

"I wish to tell you of the benefit I have received from using your remedies," writes Mrs. Alice Soncrant, of 261 W. Harrison Street, Chicago, Ill. "Two years ago I was taken with a severe pain in left ovary and side. Tried several different remedies, but nothing helped me. I got so bad I could scarcely walk across the floor or do work of any kind. One day an old neighbor lady came to see me, and told me to try Dr. Pierce's Favorite Prescription. She said she knew it would help me, as it had saved her life. When the doctors had given her up and said they could do nothing for her, she said she began to take Dr. Pierce's Favorite Prescription and it cured her, so I got a bottle of the 'Favorite Prescription' and one of 'Golden Medical Discovery' and began taking them. Before I had taken one bottle of each I was so much better that I could do all my own work, and that is a good deal, as I am the mother of four small children. Three bottles of the Favorite Prescription' and one of 'Golden Medical Discovery' cured me. I have not been sick since then. I think your 'Favorite Prescription' is a wonderful medicine for women."

"IT WAS WONDERFUL IN ITS WORK."

"My wife has used three bottles of Dr. Pierce's medicine, and I never saw such results," writes A. B. Haynes, Esq., of Aurora, Lawrence Co., Mo. "It was wonderful in its work. We had used lots of medicine, also had one of the best physicians in Aurora, but my wife got no better; we heard one pitiful groan after another day and night. A friend handed me a copy of Dr. Pierce's book, The Common Sense Medical Adviser, and after reading the testimonials of Dr. Pierce's successful treatment and seeing that the cases described were similar to my wife's, I bought for her a bottle of Dr. Pierce's Favorite Prescription. Before she had taken all of the medicine she was up and helping to do the work. She has taken three bottles and is now about well. Has better health than she has had for years. So perfectly did the medicine do its work I have great confidence in it."
